

# Analysis Retreat 2019 Itinerary!

## Wednesday 15th May

### Day Plan:

Arrive (anytime that works for you - late afternoon seems most sensible), check in, eat, and relax! We will have dinner together in the evening!

For dinner, we each have a £25 meal allowance for the hotel restaurant.

## Thursday 16th May

### Day Plan:

Boardroom (Suite 103): 9.00 - 17.00 (or whatever times we want to/can work - up to us!)

Lunch 12:00 - 13:00 (Lobby area)

Dinner together!

### Aims for the day:

1. Get to know our data - collaborative reading of transcripts - group discussion on thoughts/reflections on the data.
2. Work towards summarising/coding/reifying data to work towards key findings.

### Questions

What are the most prevalent chapters in our collected stories?

What's important to tell the world about the stories we have heard?

What has the potential to make real life impact in the lives of disabled young people with LL/LTIs and their families?

Who should we be telling about what we've found?

How will our analysis primarily be communicated? How does our analysis and findings fit with the book?

data that ....

- ... haunts
- ... scares
- ... wounds
- ... glows
- ... angers
- ... resonates
- ... head-fucks
- ... excites
- ... is mundane / matter of fact
- ... confirms
- ... clarifies
- ... captures
- ... captures our liminal lives
- ... normalises
- ... disrupts
- ... crops / queers
- ... materialises
- ... makes factual

## **Friday 17th May**

### **Day Plan:**

Boardroom (Suite 103): 9.00 - 12.00

Lunch 12:00 - 13:00 (Lobby area)

Travel home after lunch...

### **Aims for the day:**

1. Finalise our set of key findings from young people's stories.
- 

### **Other stuff!**

Let's tweet the Retreat - it's innovative research practice - so let's share it through a hashtag

#TweetTheAnalysisRetreat

A project "object" - Kirsty to explain!!

### **Book**

1. Conversation about writing and co-authorship.
2. Contract signing
